SIR,

With reference to your letter No. P. 2186 - 91 cts. 121-24-3 dated the 25th October 1924, in the matter of the Bench - Courts of this (Kadur) District being made permanent, I have the honor to state as follows:-

2. There are 7 Bench Courts in this District of which the one at Chickmagalur is permanent, and the rest are temporary. The Honorary Magistrates of the former are invested with 2nd Class powers and the rest with 3rd class.

3. A statement showing the number of cases brought to trial in each of the 6 temporary Courts in the District ever since their establishment and number disposed of is enclosed. As has been recognised by Government in the ~~Revenue~~ Criminal Administration reports, the Bench Courts have been doing good work. And bar-ring a few exceptions, the Honorary Magistrates have elicited public appreciation and confidence. From a perusal of the appended statement it will be seen that the quantity of work in the Kadur and Tarikere Taluks justifies the permanent reten-tion of the Bench Courts there.

Though the number of Cases dealt with in the ~~xxx~~ other 4 Courts is not comparatively large, yet in view of the long distances the people have to travel to go to the Special --- Courts at Tarikere and Chickmagalur, it is quite essential in

public interest that the Bench Courts at all these places should continue.

Besides, it is impossible for the Tarikere Special Magistrate to do full justice if there should be any addition to his Criminal work. I cannot omit to mention here that difficulties have been found to - secure competent and willing gentlemen to serve on the Bench, and in this connection, I would invite reference to the remarks made by the First Member of Council in his tour notes ——— pages. 3.

Action is being taken to weed out incompetent and inefficient -- Honorary Magistrates, but the choice for selection is after all limited in this Malnad District. The result of the scheme of Bench Courts is on the whole satisfactory, and I consider that the time has arrived for making the existing Courts in the District permanent.

I have the honour to be,

Sir,

Your most obedient servant,

District Magistrate,
Kadur District.

S i r,

Adverting to your letter No.P.2186-92/Cts 121-24-3 dated the 25th ultimo in the matter of giving my views as to whether the Bench Courts in the District may be made permanent, I have the honor to state that of the 8 Bench Courts in the District, the Hassan Court was made a permanent institution in 1918 and the Arsikere and Holenarsipur Courts were made permanent in G.O. No.P. 1368-74/Cts.60-24-2 dated 11th September 1924. The remaining 5 Courts in the District were constituted tentatively for one year from 1st September 1924 as per G.O. No.P.371-85/Cts.25-24-6 dated 26th July 1924. As these institutions are new and as sufficient time has not elapsed to admit of an opinion being given re: their working and usefulness, the question of making them permanent may, I think, be deferred till the tentative period is over.

Sir,

With reference to your No.P.2186-91/Cts:121-24-3 dated 25th instant, calling for my opinion in the matter of making the Bench Courts, in the District, permanent, I have the honour to state that some of the Bench Courts are not working well owing to the dearth of competent men for the Benches at some of the Taluk Head Quarters. Much difficulty is also being felt every quarter in choosing proper chairmen to the Benches, who are at least able to conduct the proceedings of those Courts. It is also expressed in some quarters that people have not much confidence in these courts and would gladly revert to the former system.

I am therefore of opinion that these institutions may continue as an experimental measure for another period of 2 or 3 years.
